

SUGGESTED USE: Take 1 lozenge daily or as directed by your healthcare professional. Lozenge may be broken into smaller pieces if lower dosage is desired.

Children and pregnant or lactating women should consult their healthcare professional prior to use. Do not use if tamper seal is damaged.

Adeno B12 provides 3,000 mcg of adenosylcobalamin, the mitochondrial form of vitamin B12, in an easy-to-deliver lozenge.

STORAGE: Keep closed in a cool, dry place out of reach by children.

Adeno B12 Meets or Exceeds cGMP Quality Standards.
